# BARBIE BAJA

I got my sixth tattoo a few weeks ago. I liked it and wanted to thank my tat artist with some extra appreciation. So, I booked an appointment for my seventh tat and told him I wanted it in a private spot and for him to do it after hours. I asked him to shower before I came over.

## Nooner, anyone?

I don't know why, but I like doing chores in nothing other than my lacy undies with the sun shining down on me, but I do. It makes me happier, and wetter, than anything imaginable. I was going about my business as usual, cleaning up after last night's barbecue, when I noticed a man staring at me through the back gate. I jumped, scared at first, then realized he was holding a map and was just hoping to find someone to get directions from. He had no idea I was about to direct him to the ride of his life when I slowly walked over and opened the gate.

I could hear a slight southern accent in his voice and my pussy started filling with its delicious pussy juice. The sun was hot, but he was hotter. He was asking me questions about street names but all I could do was think about how he would feel between my legs, fucking me silly in a lust-filled nooner. I had directions for him all right — directions to my hungry kitty.

I invited him in to the patio and closed the gate behind him. I'm sure no one could see us and we sat and looked at his map. He said he was looking for Valleyview Street. I told him it was a few blocks over that way. He said he was couple hours early because he wanted to give himself enough time to get there, not having been to this part of Savannah before. With two hours to waste, I offered him a drink, he accepted and I went in and got some iced tea. We sat and drank

for a few minutes and I slowly began to unbutton my shirt, telling him it was dirty because I was cleaning the yard.

Within minutes I had dropped my shorts and panties to the ground, my hand flying to find my excited clit. I leaned down on the patio table and offered my ass up in the air. Not missing a beat, he unzipped and dropped his pants and he was balls deep in one thrust. I couldn't believe how well he filled my pussy. I was ready to do anything he asked to please him.

I might be 40, but I'm always horny and worked his cock like a horny teenager. My pussy and mouth were an unbeatable combination as I swallowed up his cock like it was nothing, but it was something. I squeezed my pussy lips tight as he was fucking me and had him cumming in no time. I came a minute later.

We gathered up our stuff and saw he still had an hour left before he had to go. Not good, I told him. My husband will be back in a few minutes. He bolted out the back door gate he came in. I'm not married ;)

— Leona, Savannah, GA

### *My first audition*

I've had enough of relying on my jerk of a husband anymore. He used to spoil me, buy me anything I wanted and fuck my brains out anytime I needed. Now he was becoming cheap and I saw less and less of him and his cock. I asked where his money was, where his passion was and he just ignored me. Well, I don't like being ignored, especially when it comes to love and money.

I deserve better than that, better than him. I want my own money again, my own life and, maybe most of all, I want to be fucked to the max until I can't take any more. But I don't really have any real job skills, so I gotta think hard about what I can reasonably do. So I decided there's only one way to combine making some money and sex.

I figure – I'd become an adult model like one of my best friends. At least the best gift my hubby ever gave me – double-D boobs. I want to be in charge of my entire life again and so I called my friend and she made an appointment with her agent right away for me. I put my sluttiest outfit on and those clear stripper heels. I knew I was made for this job. I wanted to be sure that I got a contract, so I'm willing to do whatever it takes.

I arrived at the agent's office right on time and soon I was out of my tiny bikini. My fingers slid down my body and began massaging my moistening slit. The agent told me he just wanted to see me pose, but I didn't care. I had come all this way to leave without having a cock shoved down my greedy throat. I think not! It wasn't part of the audition but I shocked the agent by

grabbing his dick with my hands and pulled it out of his pants. It has hard in a minute and I shoved it into my hungry pussy and sucked it in.

I became a bossy bitch and made the cock inside me cum like a geyser. With every pussy contraction and swearword out of my mouth, I finally came and gushed all over the agent's lap. Later he said I was the feistiest MILF he had ever met. He said I didn't belong in pictures, I belonged in movies! America here I cum!

– Clara, now in L.A.

### *And here's to you, Mrs. Harper*

The other day, I was cleaning out my neighbor's garage and it took me three hours to do it. But it was worth it, she had promised \$50 – cash! I brushed off my t-shirt and jeans and entered her house through the back door and called out "Mrs. Harper, I finished cleaning your garage."

There was no answer. I yelled a few more times, then I heard a groan, like an exasperation, and water running. What I heard was coming out of her bathroom.

**Sam:** Well, I hope you like it.

**40+:** Come back, we were kidding, it was just a set up for us to ask how you liked all that man meat in your mouth, for starters?

**Sam:** (comes back) Oh, you guys! Okay, I'll tell you since you asked so politely. It was a lot of fun. It was my first time with a couple of the guys and I wasn't ready for the size of Donny. He's huge.

**40+:** Yeah, but from what we have seen, you handled it well.

**Sam:** It took some getting used to, especially in my mouth. My pussy was fine with his size, but it was a really big dick to swallow?

Steam was billowing out of the open door as I peeked in. Mrs. Harper was in the shower, leaning up against the tile wall, completely naked. She had one of her large boobs in her hand, squeezing it as her other hand slid down between her legs, rubbing. I could see all this because the shower curtain was pulled open. Hot water was streaming all over Mrs. Harper's tanned body, her long red hair surprisingly dry.

I pulled my head back, embarrassed to catch the woman in the middle of her bath. I didn't know what to do now. I wanted to get paid but I knew Mrs. Harper didn't keep her purse in the bathroom, and the way she seemed to be enjoying her shower, she might be in there for a while. But just as I was getting ready to leave, I thought maybe she was about done, after all. I peeked around the corner again. Then she suddenly screamed as she saw my head in the doorway, "Justin what are you doing there?" I blushed. "I, I, just wanted to get paid for..."

"It's okay. It's not your fault." She smiled at me, undulating her naked body against the shower wall. I really needed that \$50 for the weekend, so I walked into the bathroom and took her extended hand and helped her step out. She stumbled up against me, all slippery and soft and warm. "Oh, really, Justin," she breathed in my face, grabbing me around the waist and pushing her big boobs into my chest.

"Actually, Mrs. Harper, I just wanted to collect my money. I finished cleaning out..."

"Looks like you're just getting started," she murmured reaching down in between us and grabbing on to my crotch. She kissed

me, all wet and sloppy, squeezing my cock. She stuck her tongue in my mouth and swirled it around, her hands working my jeans loose, pushing them and my boxers down. She grabbed my bare penis and started stroking it.

She dropped to her knees onto the wet tiles and sucked my hard cock right into her wet mouth, her tongue and lips feeling so warm and moist and velvety on my prick. It was even better when she started back-and-forth, sucking on me. She stared up at me with her sparkling green eyes, red lips sliding all along my shaft and balls. I never realized she would be such a good cocksucker.

Then she pulled me out of her mouth with a wet pop and slapped my boys around with her pink tongue. She jumped up onto the bathroom counter and put her legs around my waist and pulled me closer. Staring me in the eye, she steered my cock into her moist pussy as she dug her heels into my buttcheeks. I fucked her standing on my tiptoes and she came after one long deep push into her. I pulled out and splooged on the counter. She climbed down and gave me a quick kiss. She wiped it off just as we heard the front door open.

— Justin, Miami

**40+:** What about the other two?

**Sam:** Those were more normal, but still big. Seems like all the guys I've fucked in porn have bigger than average cocks. I'll let those into my asshole, but I can't handle a really big one. I wouldn't jeopardize my little butthole for that, Especially when there are other ones around that I can take back there. Anyway, this foursome was one of my best. I hope you get to watch it.

No, this isn't my go-to-church outfit, but I have greeted the pizza delivery girl at the door in it once. She stood there with her mouth open and that was so cute. Unbelievably, after I paid her and gave a \$10 tip, she asked if she could touch my boobs. Of course I let her!

# second floor room SIX

**F**or the last several years I've finally been able to find some time to work on my latest passion. I've been researching something for a book I'm working on. I'd tell you what it is, only it's somewhat arcane, pardon the term. What I will tell you about, though, is the newest research librarian. We'll call her Geena because, although it's not her real name, I wouldn't want to identify her. I mean, who knows, you might use the same library some time and right now it's me she's fucking. You understand, don't you?

I'd been going to the library, a massive place on Maple Avenue, for about six months. During that time, Sheila was the librarian, about 40, with a face that would smash a fucking mirror. Then two weeks ago, she was replaced by Geena. She is quite tall, with mousy brown hair that almost reached to her butt and she's usually got it tied into a ponytail. She wears glasses, has big blue eyes and a very nice body from what I could

tell. She too is around 40, so while she's mature, she's sort of smoldering beneath those thick framed glasses.

I showed her my library card and she smiled, fuck, she's beautiful when she smiles. "Ah yes, my predecessor told me about you, Mr. Bookman," she said, in a posh voice. "I know what you'll be needing, so please go into research room six. You know where that is, right?"

"Yes, I do, thank you," I said. Mr. Bookman is the name I use in the library. My card has my real name on it, but I was given that by Sheila back then and I kinda like it. Now Geena is using it and it sound so sexy coming out of her mouth. The research rooms up on the second floor are private, so real researchers, rather than time wasters, can get some privacy while they study. I entered the room, put my black leather jacket on the chair and waited. Within a few minutes, she

*I think my reputation preceded me at the library. I just met Geena and she was ready to help me with my latest project.*

*For me, I made her my latest project.*

knocked and walked in and placed those cryptic volumes on the desk, and smiled at me again. "I'm on extension 62 if you need me," she said, and this time her smile wasn't to be mistaken. I know she was telling me she wanted me.

I'm tall dark with the swarthy complexion and pretty well-built with big muscles,

*Room six had all I needed. Me, Geena, privacy and the big walnut table in the middle of the room.*

because I work out boxing at the gym three to four times a week. I'm also 40ish. I sat down, I always stand when the woman enters the room because they like that kind of stuff, and pulled the first volume towards me. As soon as I did, I noticed a little bookmark sticking out of the top. Well I thought it was a bookmark, only it wasn't. It was a sheer, see-through little black thong! I pulled it to my face and sniffed at it. It smelled that wonderful fragrance of a woman's pussy. Not strong but unmistakable. And attached to it with a tiny safety pin was a little note, in perfect female

handwriting... 'Ext. 62, when you need me.'

I pondered, should I wait for a few minutes, or call her immediately? Fuck it, I picked up the phone and tapped 'six-two. A sultry voice came on "Hello this is Geena. How may I help you?"

"This is Jack Bookman," I told her "I'm in research room six. Would you please come up when you have a moment?"

She gave a little girlish giggle. "Oh, you got my note? Let's see I'm on a coffee break in 15 minutes. Would that be okay?"

I told her, "Sure. How long have we got?"

Another little girlish giggle. "Oh, about 20 minutes, will that do?"

"Thank you, that would be just fine," I said. Then I remembered her thong. "I've got an item of yours in my jacket pocket," I told her. "You want it back?"

Geena giggled again. "No, thank you. Mr. Bookman. There's plenty more where that came from." And she hung up. The 15 minutes passed like 15 hours, but finally there was a knock on the door. I opened it and she stepped into the room, but not before she hung an appropriate hotel-like 'Do not disturb' sign on the doorknob.

Then she reached for her ponytail, pulled the clip, or whatever it's called, from her hair and shook her head. I pulled her into my arms, kissed her firmly on her mouth and removed her glasses, which I put on the desk next to the volume I had been working on.

Geena was beautiful. I told her so, then kissed her again. While we were kissing, I pulled up her skirt to around her knees and put my fingers between her thighs. They parted slight-

ly and they continued up until they reached her panties, wet panties. She was as wet as anything and my finger slithered around the slippery cloth. While I was doing that, she unzipped my fly and her hand stroked my erection which burst out of my pants. It wasn't a huge erection, as erections go, but she must have liked it because the next thing I knew she was on her knees and her mouth encircled my helmet. For a librarian she was a superb cocksucker.

Now I have a confession — I checked my watch. She had been in the room two or three minutes, tops, but I didn't want it all spent on cock-sucking, so I reached for her long hair and pulled her gently up to my face, turned her around and planted her butt on the edge of the large table I was working at.

She sat, and I grabbed her legs and pulled her ankles up so they were resting on my shoulders, and then I pushed my cock head against her semi-shaved pussy, sliding it down to her slit. Geena gave a little shudder, a shudder that was thrilling, and then I was driving deeper into her, my cock enveloped by her glorious pussy. Shoot, she was tight!

Her arms reached up for my shoulders and she kissed me hard. "That's so nice Mr. Bookman, don't stop," she purred. As if I had any intention to stop! No, just the opposite. I was going to go hard and deep for the rest of my time with her. Then she took her hands from around my neck and grabbed my hips pulling me deeper into her as he muffled out a long, low climax, tightening her pussy muscles around my pistoning cock.

Then I started to build to my climax and soon

I was spurting hot wads of Bookman jizz into her. I held myself in her for a mo-

ment until I felt her gently push my hips away, indicating I should pull it out. My cock slipped out of her, and she kissed me again. She pulled down her shirt, grabbed her hair and in a few seconds she was ponytailed again.

"My lunch break is at noon, Mr. Bookman," she said as she reached for her glasses. "I thought you might like to take me to lunch?"

I realized I had not felt her breasts, so I pressed my palms against them, firm, not big but firm. "Sure," I said. "And after work?"

"I've got nothing planned," she said.

I kissed her as I adjusted myself and pushed my cock back into my pants. "Don't worry," I told her, "I have!"

*I've renewed my library card through 2050. That means I'll be fucking Geena until I'm well into my eighties.*

# KORA & DICK

I love dick. No, not the Dick in these photos, but dick. Get your mind into the gutter. I love Dick's dick because it's all thick and tasty. Not too long, and that's okay because I'm into thick dick. I like the way it fits into my hands and fills my pussy and my mouth.

# RAVEN & ANDREW

It's a lazy day and I'm waiting for my friend to come over. I promised him a home cooked meal if he would fuck me. And I promised I'd bake him chocolate cake if he would fuck my ass. Do you know anyone who would resist? I don't think so. See you in the kitchen!

NOW THIS IS A MOMENT!
